LID-4WT

LID-4WT-WS

White polystyrene versions of our most popular LID Series cup and lid organizers provide a clean and refreshing alternative appearance to foodservice operations.

Units are available in white with three or four cup/lid sections. A four section unit is also available with an enclosed front compartment (WS) to hold straws or stir sticks.

MAXIMUM DISPENSING IN A MINIMUM AMOUNT OF SPACE

LID SERIES COUNTERTOP CUP & LID ORGANIZERS

Countertop cup & lid organizers accommodate 6 oz. to 44 oz. paper, plastic or foam cups and lids with rim diameters ranging from 2 $\frac{5}{8}$ " – 4 $\frac{3}{4}$ ".

Countertop units feature durable polystyrene construction and offer maximum dispensing with a small footprint. Compact design requires only 5 $\frac{1}{4}$ " W of countertop space. LID Series are NSF listed.

The optional MSH-1 straw and condiment holder can be inserted into any section for storing straws, stir sticks or packeted condiments.

Model Number	Item Description	Dimensions H x W x D
