

DISPENSE-RITE®

TLO-2BT, TLO-3BT & TLO-4BT

Polystyrene Organizers for Lids and Straws

Project	_____	
Price	_____	Quantity _____
Total	_____	Shipping _____

TLO Series polystyrene organizers from **DISPENSE-RITE** offer the ability to dispense lids and straws occupying only 6.5" X 14" of countertop space. Lid compartments are angled to the front so when one stack of lids is empty, the next stack will take its place. Straw compartments hold regular or extra large straws. Units are available with two, three or four lid compartments and a divided straw compartment.
